

# Pair Your EverPass Device

Step 1

**Scan the QR code on  
screen with your phone**

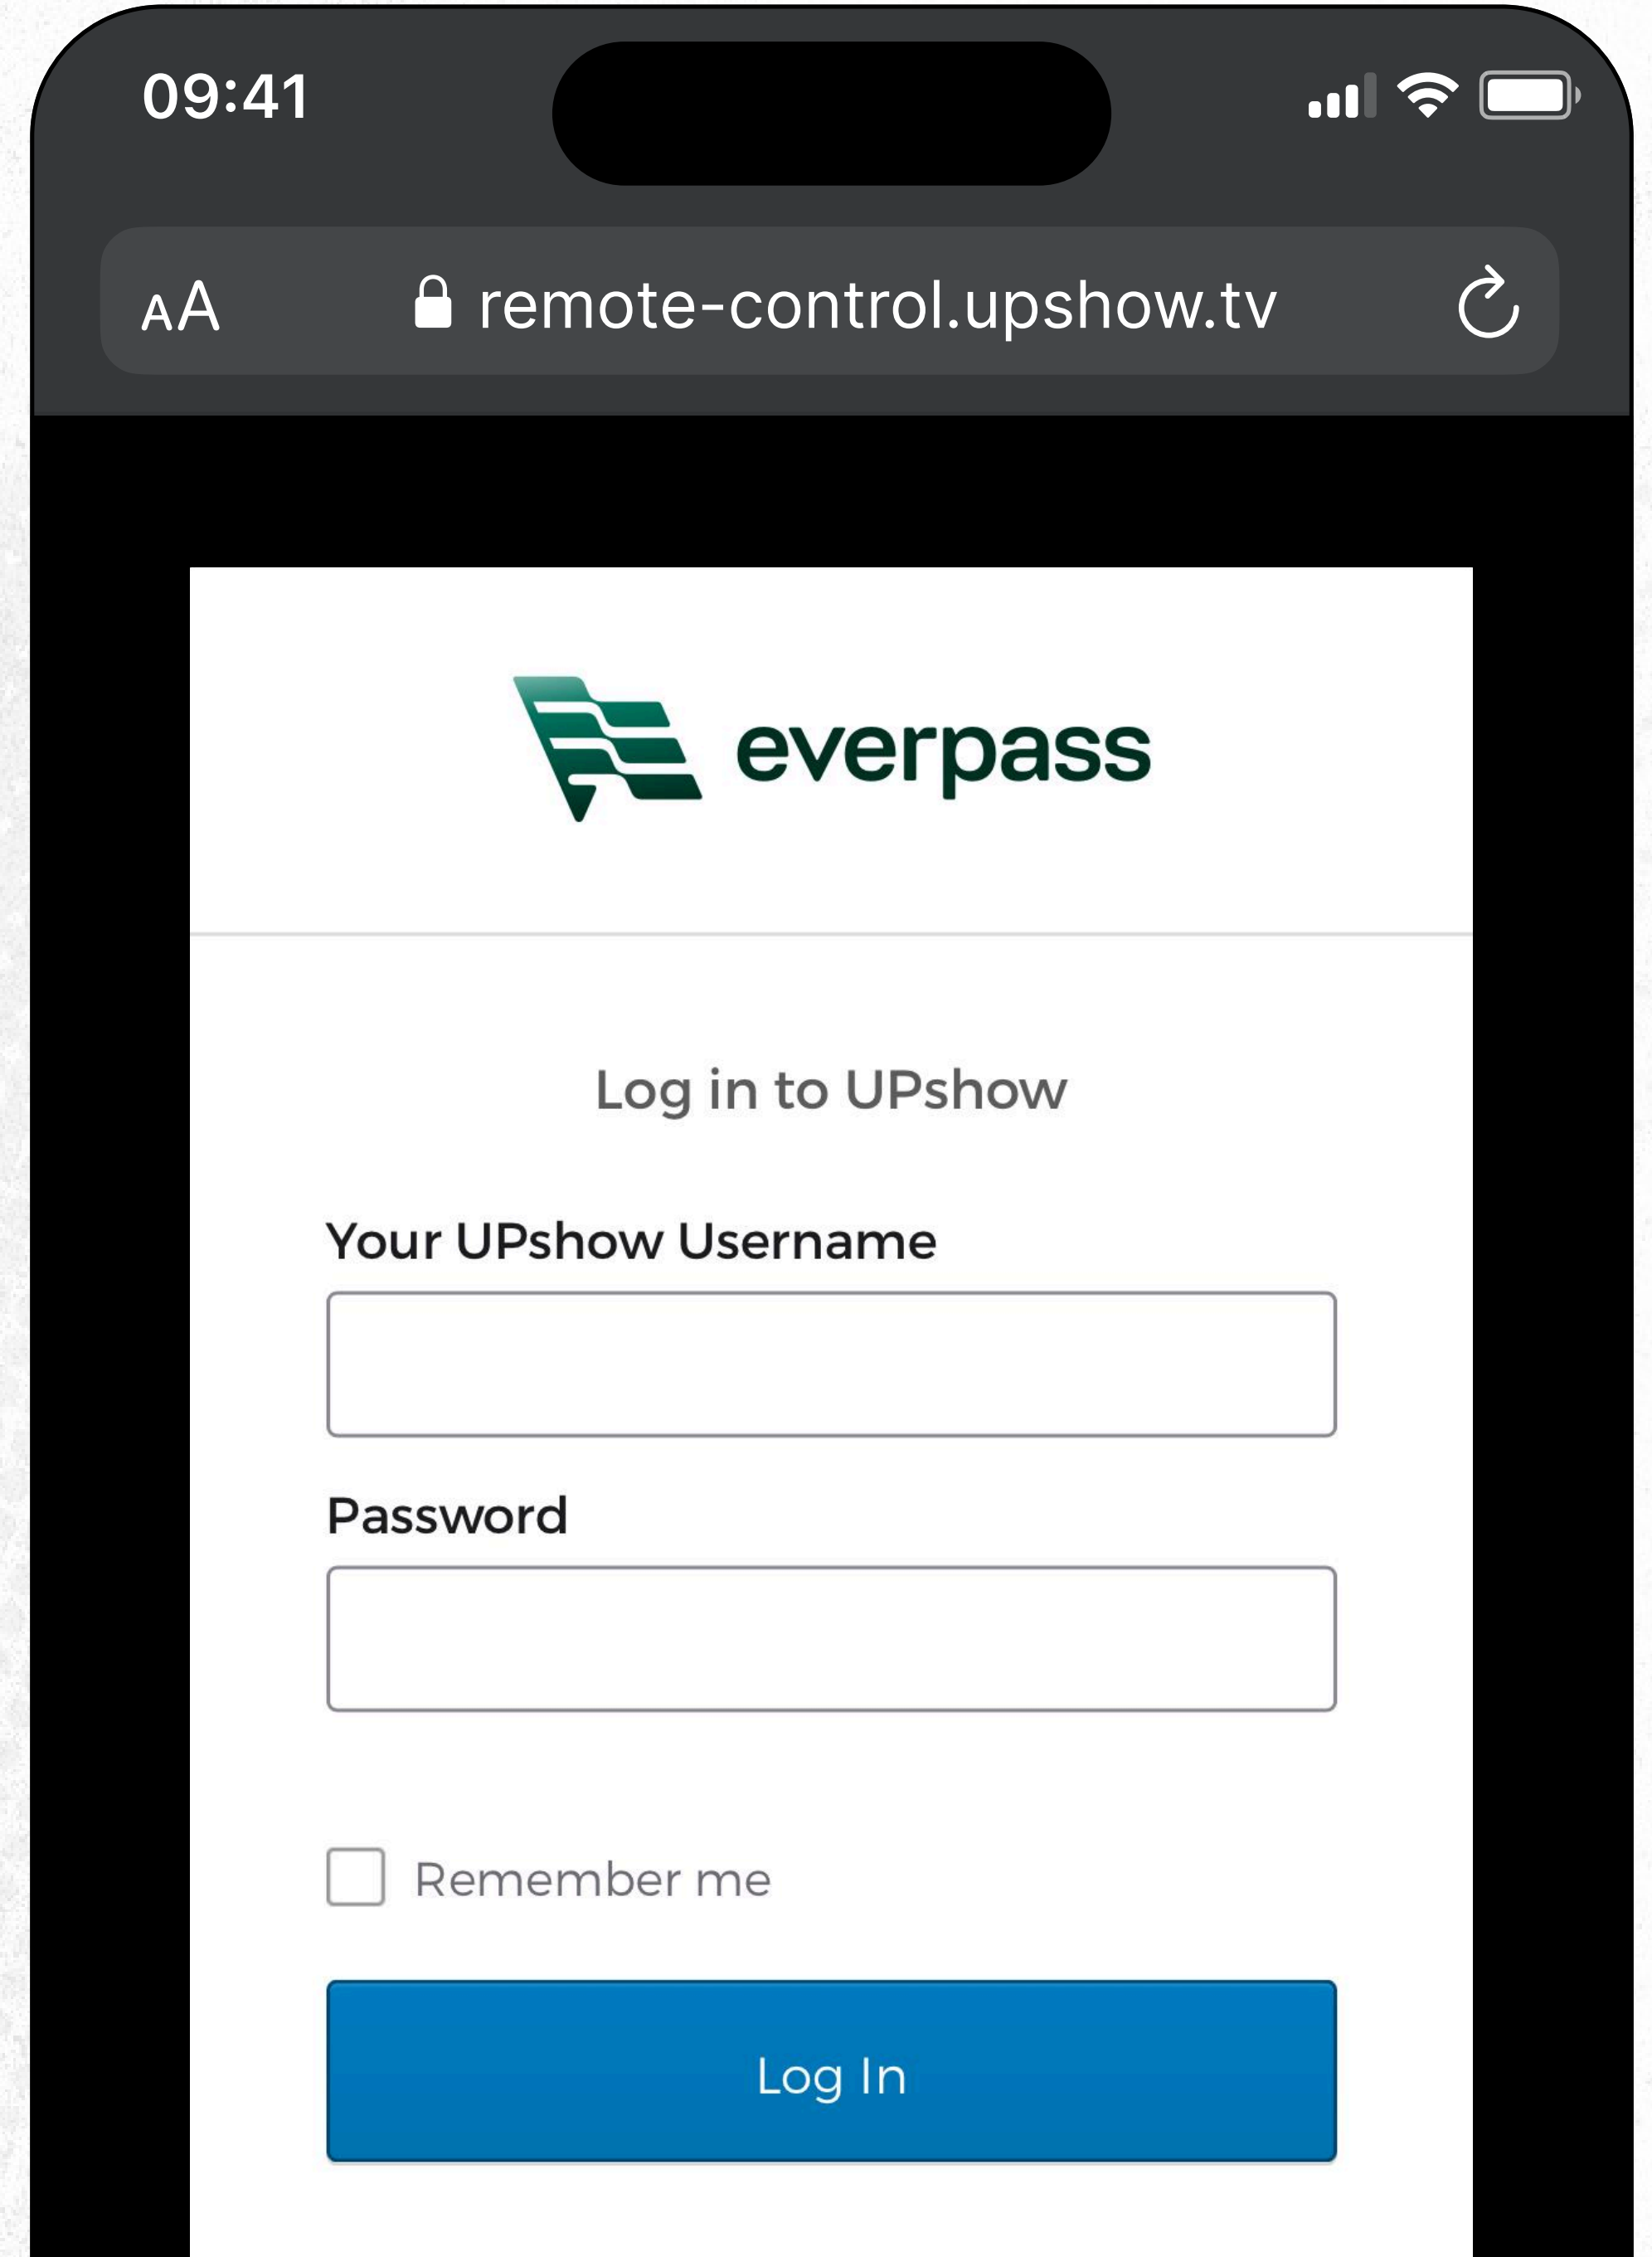

Pair Device Using Phone or  
Tablet

## Step 2

# Log in to your EverPass Account

You must have an activated account before completing this step.

A smartphone screenshot showing the EverPass login page. The status bar at the top displays the time 09:41, signal strength, Wi-Fi, and battery icons. The browser address bar shows the URL remote-control.upshow.tv. The page features the EverPass logo at the top, followed by the heading "Log in to UPshow". Below this are two input fields: "Your UPshow Username" and "Password". A "Remember me" checkbox is located below the password field. At the bottom of the form is a blue "Log In" button.
